ЛЕНИНГРАД «МУЗЫКА» 1983
LENINGRAD «MUZYKA»

«Исламей», восточная фантазия для фортепиано, была написана М. А. Балакиревым в 1869 году (начата 9 августа, закончена 13 сентября) и посвящена Н. Г. Рубинштейну. Это сочинение завоевало мировое признание и входит в репертуар всех выдающихся пианистов.

Еще при жизни М. А. Балакирева «Исламей» привлек внимание итальянского композитора А. Казеллы (1883—1947), который инструментовал это произведение для большого симфонического оркестра и показал партитуру автору. Балакирев посоветовал А. Казелле обратиться к Б. П. Юргенсону по вопросу об издании партитуры «Исламей» и снабдил его соответствующим письмом (от 29 октября 1907 г.). Восторженно отозвался об инструментовке и А. И. Зилоти (1863—1945) в своем письме к Б. П. Юргенсону (от 31 октября 1907 г.). Б. П. Юргенсон не только принял к изданию оркестровку А. Казеллы, но и приобрел право собственности на нее. Об этом мы подробно узнаем из переписки Балакирева с Б. П. Юргенсоном[1]. В письме от 4 ноября 1907 года Балакирев пишет Б. П. Юргенсону по поводу А. Казеллы: «Считаю нужным предупредить Вас, что я заметил ему о необходимости переделать оркестровку в двух местах, а к этому добавлю, ввиду Вашей готовности издать его партитуру, чтобы Вы потребовали от него, дабы инструменты транспонируемые (как, например, английский рожок, кларнеты и др.) были изложены в партитуре не в тоне пьесы, как то делает Казелла (in C), а так, как это до сих пор было принято и свято исполняется по сие время русскими композиторами»[2].

Партитура «Исламея» в инструментовке А. Казеллы была издана фирмой П. И. Юргенсона в 1908 году. В партитуре помещено следующее факсимильное посвящение: «Cette nouvelle version d' „Islamey" est par moi dediée en signe d'admiration et d'affection a Alexandre Siloti. Casella. Paris, 1908». («Эта новая версия „Исламея" посвящена мною в знак восхищения и любви Александру Зилоти. Альфред Казелла. Париж. 1908».)

В Париже в начале мая 1908 года под управлением А. Казеллы был впервые исполнен в его инструментовке «Исламей». В России эта инструментовка впервые была исполнена в Петербурге 10 октября 1909 года под управлением А. И. Зилоти в «Концертах Зилоти».

Другая оркестровка «Исламея» была осуществлена в 1912 году ближайшим другом и учеником Балакирева, профессором Петербургской консерватории С. М. Ляпуновым (1859—1924). Согласно авторской дате на партитуре, она была закончена 6 июля 1912 года. История ее возникновения изложена в письме известного балетмейстера М. М. Фокина (1880—1942) к английскому критику и историку балета С. У. Бомонту от 2 мая 1925 года. М. М. Фокин пишет:

«„Исламей". Восточная фантазия. Поставлена на благотворительном спектакле в пользу Литературного фонда и сейчас же принята в дирекцию императорских театров.

Появление этого балета вызвано моим желанием показать в Петрограде что-либо из восточных моих сочинений. „Шехеразаду" нельзя было ставить вследствие запрета со стороны вдовы Римского-Корсакова.

„Исламей" имеет много общего с „Шехеразадой", но это не повторение и не копия, а новое произведение на схожую тему. Взята одна из лучших восточных фантазий в русской музыкальной литературе. Наследник композитора Балакирева (тоже композитор), Ляпунов сперва запротестовал против такой „профанации", но потом даже сам оркестровал для балета эту фортепианную вещь.

Сюжет балета (заимствован из 1001 ночи).

Жена султана усыпляет мужа, всыпая [ему сонный порошок] в вино. Султан, заметив ее хитрость, притворяется, что пьет вино, на самом же деле он выливает его. Он притворяется, что засыпает. Жена укладывает его за занавеску, сама принимает своего любовника. В самый разгар оргии муж, наблюдавший за коварной женой из-за занавески, выскакивает. Он убивает любовника. Она же в страхе бросается из окна в пропасть.

Весь сюжет развивается на фоне восточных плясок, гарема и мальчиков-рабов. Танец с появлением шаха переходит в сцену общего ужаса. Балет полон танцев, сцен, массы движений и ярких, горящих красок. Но он слишком короток (музыка всего на 7 минут), и потому впечатления в нем несколько нагромождены одно на другое. Говорили, что надо его несколько раз посмотреть, чтобы уловить все, что в нем происходит.

Главные роли исполняли: шах — Гердт, жена — Карсавина потом Фокина, любовник — Фокин, потом Романов»[1].

Спектакль, о котором идет речь, состоялся в Мариинском театре в Петербурге 10 марта 1912 года, с декорациями художника Б. И. Анисфельда.

Партитура «Исламея» Балакирева в инструментовке С. М. Ляпунова была издана фирмой П. И. Юргенсона.
